

# Volunteer Highlight

PARKGATE  
COMMUNITY SERVICES SOCIETY

## August 2011

### Dane Lamb

Dane is an awesome volunteer because he can relate to and connect with the kids. He has great leadership which he balances while creating personal relationships with the children. Dane takes initiative, is friendly with staff and parents as well as the kids. We know Dane is interested in working with children in the future and we are happy he found that out by volunteering with us. On behalf of the staff at Parkgate we would like to thank Dane for this continual support in all our programs.

### Dane's Corner!

#### **What is something that people aren't likely to know about you?**

He said we probably don't know that he LOVES to go crazy and have fun. He's been known to stage huge water balloon fights with his friends and run down to the river to see who can stay in the longest/swim the farthest in freezing cold water!

#### **What kind of music do you listen to?**

Dane listens to a wide variety of music, everything but country but can't pin down a favorite genre.

#### **What's your favorite thing about volunteering at Parkgate?**

Dane shared that his favorite thing about volunteering at Parkgate is the kids. He admitted to coming first for service hours but to coming back because it was great to hang out with the kids, make them happy and have them scream his name when he came in the door. Dane, Dane!!! We and the kids are so happy you're here.
